

Important information – please read before booking.

We have decided to run this THS even though there are many limitations we have to enforce to ensure the safety of the stewards and members. The alternative was to cancel the meet but we hope you will support our decision by adhering to the following:

- If any camper has any symptoms of COVID -19 please notify the Steward.
- Unfortunately, no day visitors will be allowed on site at any time.
- Booking is available and will help to avoid unnecessary contact on arrival.
- Payments via bank transfers, cheques or card are preferred but fees can be paid by cash if the correct money is put in a sealed envelope or plastic bag.
- On arrival you will be given an identifying sticker to display to allow you back on site.
- Please stay in your vehicle on arrival unless asked to get out by a Steward.
- You will be taken to the next available pitch by a steward who will also put your electric card in the meter (if applicable)
- The site will be filled from the top down in order of arrival (including units from storage) Alternate pitches will be filled initially until the site is half full then, the gaps will be filled. This is for you to have maximum space to set up.
- No arrivals after 8pm.
- More details than usual are needed from you as we are required to be able to contact every member attending for 'track and trace' purposes.
- No social gatherings are permitted and, at the time of writing no members are to gather in awnings or caravans.
- Members must not walk across other pitches, please stick to the roads and remind their children to do the same
- All rubbish must be bagged and sealed before putting it in the skip.
- £27 non refundable deposit is required to book this meet.
